To get to WVEC from the north via US 52

- As you approach West Lafayette on 52, turn left onto Cumberland Avenue. Cumberland is the traffic light at University Inn, Applebees, and Walmart. Cumberland is divided street with large power lines going down the middle.
- Follow Cumberland until you pass Cumberland Elementary School on the left. You will pass West Lafayette School District's athletic complex but that is not the

Cumberland Elementary site – keep going on Cumberland. Just past the school property you will see Benton Street, but the median does not allow you to turn left onto Benton Street. You have to pass Benton Street to get to a place to cross the median and come back the other direction. That will allow you to turn right on to Benton. Street.

- Wabash Valley Education Center is the first building just behind Cumberland Elementary on Benton Street. .
