### Curriculum Adoption: Roadmap for Success

Selecting a new curriculum requires intentional planning and implementation. Leaders should consider several key steps as they navigate this decision.

This workshop will guide corporation and school leaders through the selection process and offer suggestions for implementation. Participants will design their roadmap to select and implement a new curriculum with fidelity. Intentional planning in the beginning leads to successful outcomes.

Join us for this collaborative session on May 16th from 9:00-12:00 ET with virtual follow ups in June & August!
